

# Merrell Moab 3 Mid Waterproof Hiking Boots

---

The Mother Of All Boots gets upgraded in the men's Merrell Moab 3 Mid waterproof hiking boots. Known for comfort and versatility, the latest iteration is even softer, grippier and more supportive.

Experience the thrill of the great outdoors with our Merrell Moab 3 Mid Waterproof Hiking Boots. These boots are designed to provide ultimate comfort and support for all-day hiking adventures. The waterproof membrane keeps your feet dry in wet conditions, while the breathable mesh lining ensures ventilation to prevent discomfort caused by sweaty feet. The Vibram® TC5+ outsole provides excellent traction on various terrains, making these boots suitable for hiking in mountains, hills, valleys, and flat terrains. The EVA midsole and air cushion in the heel provide cushioning and stability, reducing fatigue and preventing injuries. With a durable leather and mesh upper, these boots are built to withstand rugged outdoor conditions. Pair these boots with our hiking pants and shirts for a complete outdoor outfit.

### Reviews

**Title:** Great boots for hiking

**Rating:** 5

I bought these boots for a hiking trip and they performed exceptionally well. They are comfortable, lightweight, and provide great traction on various terrains. The waterproof feature kept my feet dry even in wet conditions. Highly recommend! **Title:** Excellent quality

**Rating:** 5

These boots are of excellent quality. The materials used are durable and the construction is solid. They provide great ankle support and are very comfortable to wear. I have been using them for hiking and they have exceeded my expectations. Definitely worth the price.
