Title: Great shirt for outdoor adventures

Rating: 5

I bought this shirt for my son for our camping trip and it worked great! It kept him dry and comfortable even during a light rain. The adjustable cuffs and hem allowed us to customize the fit, and he loved the vibrant color. Highly recommend! **Title:** Not as waterproof as expected

Rating: 3

I bought this shirt for my daughter for hiking, but it didn't keep her completely dry during heavy rain. It repelled water to some extent, but she still got wet. The fit and design are great, but I was expecting better waterproofing.
