Reviews

Title: Great jacket for rainy hikes

Rating: 5

I bought this jacket for a hiking trip in the rainy season and it performed exceptionally well. It kept me dry and comfortable throughout the entire hike. The adjustable hood and cuffs were a great feature, allowing me to customize the fit. The multiple pockets were also very useful for storing my essentials. Overall, I highly recommend this jacket for anyone looking for a reliable waterproof option. **Title:** Not as waterproof as advertised

Rating: 3

I purchased this jacket for a camping trip and was disappointed to find that it wasn't as waterproof as I expected. While it did repel some water, it eventually started to soak through after prolonged exposure to rain. The adjustable hood and cuffs were a nice touch, but I wish the jacket had better waterproofing capabilities. I would recommend it for light rain or everyday use, but not for heavy downpours.
