Title: Great waterproof shirt

Rating: 5

I bought this shirt for a hiking trip and it worked perfectly. It kept me dry and comfortable in the rain and the fabric is breathable so I didn't get too hot. The fit is true to size and the color is nice. Highly recommend!

Title: Not as waterproof as expected

Rating: 3

I bought this shirt for a camping trip and while it did keep me dry in light rain, it didn't hold up well in heavy rain. The fabric started to soak through after a while. It's still a decent shirt for the price, but I was hoping for better waterproofing.
