Reviews

**Title:** Great waterproof shirt

**Rating:** 5

I bought this shirt for a hiking trip and it performed really well. It kept me dry during a heavy rainstorm and the moisture-wicking technology kept me comfortable throughout the hike. The fit was perfect and the adjustable cuffs allowed me to customize the fit. Highly recommend! **Title:** Not as waterproof as expected

**Rating:** 3

I bought this shirt for a camping trip and while it did repel some water, it wasn't as waterproof as I expected. I got slightly wet during a light rain shower. However, the shirt is comfortable and the moisture-wicking technology works well. Just don't rely on it for heavy rain.
